

St. Patrick's Day Celebration

Of course, not all of the residents at Greenwood Care are Irish, but St. Patrick's Day, the green holiday, is a popular day in both the U.S. and at Greenwood. Residents at Greenwood Care were lucky enough to celebrate St. Patty's day with guest performer and musician Stu Frank! Stu, who has been to Greenwood in the past, is a talented singer and guitar player. His ability to play a wide range of music makes for an entertaining show that appeals to almost everyone. Stu is always a hit! On the evening of March 17th, residents made their way to the 7th floor, many wearing green attire, for live music and (of course) tasty treats; it wouldn't be a party without them! Stu started the evening with a few traditional Irish songs and then moved on to well known classics which surprisingly included hits by Michael Jackson! Throughout the show residents were singing along and dancing. By the end of the night many were happily shouting out requests for their own favorites! Thank you to all of the residents who made this such a fun event!

Cooking Class

During the month of March a new activity was started by RTA Christopher Coutee. Residents now have the opportunity to meet twice a month for cooking classes! This hands-on activity is a fun and easy way for residents to learn how to prepare simple recipes. As an added bonus, at the end of each class, residents are encouraged to stick around and taste what they have made! So far, residents have prepared mini pizzas and apple crisps and we have had quite a turn out. We are all hoping that April classes will be just as popular. If you happen to be free on a Thursday afternoon at 2:15, swing by the dining room to see what's cooking. We are always open to suggestions!

Limerick

By Howard B.

There was a young man named Irving
Whose life was kind of unnerving
He'd stew, and he'd cry
Without knowing why
Because he was so self-serving
